ACCIDENT REPORT FORM

P 2/2

Under Article R1621-12 of the French Transport Code, to be returned without delay after the accident, to BEAmer, at the following email address:

bea-mer@developpement-durable.gouv.fr

Description of the sequence of events leading to the accident :

If applicable, extent of damage sustained to your vessel, including your vessel's cargo :

State why you think the accident happened :

Has any action been recommended by you or anyone else as a result of this accident and if so, what and by whom ?

After the accident, was any action taken, which one, by whom and when ?

In the event of a collision, can you identify any other vessel involved? (name, flag, IMO N°, Call Sign) ?

Has the VDR recording of this accident been saved ?

Saving navigation data other than VDR (ex ECDIS...) ?

Attached to this accident report form with all the necessary documents to describe the marine casualty (sea protest, photographs, video, etc.)

The declaration shall apply to marine casualties and incidents (ships and occupational injuries) involving ships flying the French flag. It also shall apply to foreign-flagged ships within in the territorial sea and internal waters. Completing and returning this form does not constitute an admission of liability of any kind, either by the person making the report, or any other person. The only purpose is to improve maritime safety and the prevention of accidents.
